18 January 2019

Dear Parents,

Hip, hip, hurray! Its back to school again. Welcome back everyone. To the old and the new learners, it is great to see you all and especially in the new building. We hope you all had a wonderful break. We also hope that you are relaxed, recharged and ready to start the new school year!

Our goal this year is 'to over deliver, not under. Under delivery isn't an option.'

It takes a big heart to shape little minds and all the teachers at Riverside College have the ability to do so. Not only are we passionate about what we do, but as a team, we always try to go the extra mile to make a difference in our learners lives. We plan to make 2019 the best year yet.

Our motto for this year is that, 'No one gets left behind,' not a learner nor teacher. No matter what the case, we will work through it, we will try our best. We start this journey together and so we will finish it together with positive energy and love all around us.

Watch out 2019, We are going to slay it!

We are very blessed and thankful for the beautiful space we now have and in order to achieve the rest of our goals we have decided that 2019 will be a year in which we as Riverside College undertake and commit ourselves to focus on the following goals.

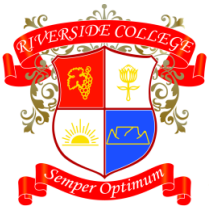

1. Exceeding expectations
2. Leaving no person behind
3. Accepting and offering no excuses

In delivering on the above I look forward to seeing happy, content, well adjusted, hardworking and successful learners, teachers and support staff, all striving to be the best version of themselves every day.

Thank you for your support in the past and for your continued support throughout 2019. This is an exciting time for all of us and together we can achieve so much more.
