Dear Parents,

Following on from last week's message about how to be a great friend, Miss Bloem delighted us with a wonderful story in assembly about how we shouldn't judge a book by its cover. We might think that this person won't be a good friend purely by the looks of them, but they could turn out to be the perfect friend to help you out in situations. Let's be mindful of our peers' talents and what they have to offer as a person and not judge them by their appearances.

NEWS FROM THE GRADE 2 CLASS

The Grade 2 class has really settled into their new routine and are learning to adjust to their new surroundings. They are working hard and giving each day their very best. It is great to see how they take interest in each other and how accepting they are of one another. Keep shining bright like the stars that you are!

15 February 2019 - Grade 1 – 6 Valentine's Dance

These events will all take place on the school property.

VALENTINES DANCE

We are celebrating the day of love with a wonderful dance on the 15th of February. The learners will dance away to their favourite songs with their friends from 18:00-20:00. They need to pay R10 to join this lovely evening. There will be hotdogs and cooldrinks for the night at R20 for the combo, which needs to be pre-ordered from the classroom teacher. We hope to see all our learners there to enjoy the night with their friends.

INTER – SCHOOL

Congratulations to all the athletes who participated in the annual inter-schools and ran on Monday and Thursday. We are very proud of each and every one of you.

SUMMER TIME

We would like to remind you to please provide your child with a water bottle, specifically one, that they can uncap to refill during the day. Learners will not be allowed to leave the classroom during work time to drink water. Juice is allowed at break time. Learners must also wear their Riverside College cap for all out-door activities like PE and Sports. If these caps are out of stock, then please buy a plain maroon cap for your child to wear.

REMINDER

Please take note of the following:

- * No parents are allowed at or in the classrooms in the mornings. If you wish to speak with the teacher, please make an appointment to see her.
- * Parents must fetch their children directly after an extra mural or school. Unfortunately, we are not able to look after and take responsibility for learners once they have finished an extra mural or once the school day has officially ended.
- * Parents must please take note that the office staff will no longer be able to drop off 'forgotten items' during the school day. Parents are to please ensure that their children have packed all their lunch, sports clothes and assignments before the school day begins as they will from Monday the 11 of February have to go without these items.

TUCKSHOP

We are so excited about our tuck-shop and we can see that the children are feeling it too. There is tent over the tuck-shop now and tables under the tent where children can sit and enjoy their lunches. Please remember that we are serving healthier food in the tuck-shop now and that all the learners may buy from the tuck-shop every day of the week, and not only on Fridays as in the past.

Besides the pre-orders, the learners can also buy the following:

A note from the principal, Dave Swart

Thank you to each and every parent, teacher and learner who together made the first 3 weeks of this academic year as smooth sailing as it has been. Yes, we have had teething problems and a few hitches, but all things considered it has actually gone wonderfully! Thank you for the patience and understanding regarding all the activity that has still taken place on the premises. Everything that is done is to ensure the safety and comfort of all at Riverside College.

Please take note and remember that cell-phones are not allowed at school. Learners may not keep their phones on their person, in their bags or give them to a third party to look after it. This too, is to ensure that the children are safe during the school day and that they are not at risk of falling prey to the many dangers that accessible with these devices. The policy is clear, and no exceptions will be made.

Enjoy your weekend,
