Dear Parents

With the change of season upon us and colds and flu already in the air, please ensure that your child is healthy and well enough to attend school. Make sure your child is getting enough sleep and eating enough fresh fruit and vegetables. Examinations are also just around the corner and health and well-being are very important over the next few weeks.

## NEWS FROM THE GRADE 4 CLASS

It is said that one of our greatest fears is standing in front of an audience and making a speech. The Grade 4's had to prepare an Afrikaans speech on an object of their choice, last week. The objects were very interesting and what diverse choices! With good preparation, comes good speeches. Well done to our Grade 4's for their great speeches about their object. There is such confidence within the class. The photo shows them with the objects they spoke about.

## A message from our Principal – Mr D Swart

It is very important that we as parents teach our children to respect the rules and the regulations as laid down in our homes, at school, in the workplace and in various situations in our society. It is unfair and unreasonable to punish our children when they disobey us, yet it is okay for us as adults to disobey because we are adults.

Let me give you a simple example of what I am saying. School starts at 07:55 when the bell rings, but you decide to arrive at school at 08:30. Would you consider this to be fair and reasonable towards your child, the teacher, his/her classmates? Would you tolerate your child being left alone in a classroom for 30 minutes because the teacher is late every morning? Would you as an employer be satisfied to allow your employees to be late everyday while still paying them a full salary?

Please allow me to ask once more that you refrain from parking in areas that are prohibited.

Please ensure that your child arrives at school on time.

Please collect your child from school on time, or arrange for them to be transported on time.

Please ensure that your child wears the correct uniform at all times.

As parents we want the best for our children, and in order to achieve this goal we make and enforce certain rules at home, for very specific reasons. School is no different!

Please help us teach our children the difference by setting a good example for them.

Enjoy your weekend!
