Dear Parents

In assembly this week, our learners received a very inspirational message about a girl who was born without legs. However, this did not stop her from achieving her dreams. She is now a touring aerialist, acrobat and inspirational speaker. We want our learners to also believe that they can do whatever they want through a positive attitude, hard work and perseverance. We hope that they are now all inspired to study hard and reach their full potential.

NEWS FROM THE GRADE 6 CLASS

Some of these investigations were done by them practically and they were able to learn first hand about this topic. A message from our Principal – Mr D Swart

The air is abuzz with excitement! The learners are hard at work producing priceless pieces that will be auctioned at the cheese and wine evening. Mr. Vosloo together with our primary school teachers, has worked tirelessly to ensure that the learners produce only the best quality art works. He has helped, guided and worked with all the learners from the primary school through to the high school to make sure that the pieces on auction this year will be worth every penny.

Please make sure that you purchase your ticket from the office so that you can be a part of this amazing event. Your children can't wait to reveal their art work pieces to you and we know that you will not be disappointed. Remember to bring along your cheque book on the evening as the bidding promises to be fierce!

Ticket costs: R80 Adults / R20 Children

Enjoy your weekend!
