Dear Parents

The Art Auction on Friday night carried a very specific theme which was clear to see in the paintings that were displayed for the auction. The theme - "New Beginnings" is what inspired Mr. Vosloo and the other staff members in the choices they made for each different piece. Even though "New Beginnings" has a different meaning for each and every one of us it is not a new concept to us.

The following well known quote by Lao Tzu says: "*New beginnings are often disguised as painful endings*"

There were however no painful endings on Friday evening and this is a perfect opportunity for us to thank each and every person who supported this event. There are still a number of the individual pieces available in the Primary school. These individual canvases are sold at R100 a piece, so please support us and your child by buying these unique pieces.

## **A message from our Principal – Mr. D Swart**

With the term almost done it is time to look back over the past term and reflect on all the successes you enjoyed. It is time to realize that even when we fail at something, it is never a signal to just give up. There is no giving up in life, you have to just keep moving forward, doing better and better with each step you take. Getting through school is no different...one term at a time and before you know it you are celebrating your matric final scores. Yes, it is hard at times, but that is all the more reason to keep going and to succeed. I wish you all the best with your last examinations and look forward to celebrating with you who have achieved your goals, and also working harder with you who feel you could or should have done better.
