19 July 2019

Dear Parents

Thank for all the donations and the contributions that you as parents made to this special day. We hope that you enjoyed the activities that you were involved in for the annual 67 minutes for Mandela campaign. Many of the activities are geared at helping those less fortunate than we are, those who cannot always help themselves with everything they need and those who are completely at the mercy of others. While all these causes are very noble and much needed, we as a nation should not wait for the 18th of July each year to get involved and to lend a much-needed helping hand. These children, men women and elderly people and are not hungry and in need of love, support, clothing and other basic items only on this special day, but rather every day of their lives, so in true Mandela spirit we should all endeavor to reach out a helping hand to those around us more often.

Let us stand together as the great nation that we are and spread our love, care, support and charity to include all those souls who find themselves on the outside and let us draw them closer and take care of them as one of our own. Instead of pointing out constantly all that is wrong in our beautiful country and within our society and talking about the change that is needed, let us stand together and be the change! **We ARE the change. #Iamthechange #WEarethechange**

Mr. D Swart – Principal

Assessment Calendars

The assessment dates and tasks for term 3 have been handed out to our learners and is attached to this newsletter. It is imperative that learners adhere to the due dates as marks will be subtracted for late submissions.

Grade 12 - School Attendance

It is of the utmost importance that our grade 12 learners attend school every day of this term – unless seriously ill. There is a huge amount of work that needs to be covered in order to prepare them adequately for their upcoming prelim exams and the final exams. Time is of the absolute essence and we urge you to please make it a priority that they are at school on time and regularly.

Reminders and notes:

- Our teachers parking area has become a wheel-clamping zone. Please ensure that you do not park your car in this area – even for a few minutes - as the wheel-clamping rule will be applied to all. We have asked politely that you do not park in these areas for the safety of our children and unfortunately, we will have to now enforce a stricter rule.
