13 September 2019

Dear Parents,

With safety on many minds last week, we would like to remind you to be vigilant when dropping your child off at school. Make sure that your child walks across the road and does not run. Ensure that they are on the school property before driving off. The gates will be closed and only opened by a teacher.

WHAT'S UP WITH THE GRADE 4 BUNCH?

This has been a very interesting and extremely busy term. We have had the two student-teachers, Mr Edwards and Mr Fischer with us for most of the term and they have been the focus of the grade 4's. We have also practised and created a gymnastics display. We have learnt how to belly-dance. Thanks to Farah for teaching us and dressing us in belly dance belts! We have also been involved in dialogues and dramas. We would like to wish our two student-teachers the very best as they leave us. The Grade 4's will miss you dearly.

- Every number has a 7 as a digit.
- Hannah only likes odd numbers.

Make a list of Hannah's favourite numbers

HERITAGE DAY 18 September

Just a reminder that children may wear traditional clothing to school and must bring their PE clothing with them to change into at first break. They are also reminded to bring a hat and water for the games and a picnic blanket for the braai afterwards. Any traditional foods may be dropped off at the office before school. The boerewors roll will only be served at about 13:00 so please have a snack for them at break as usual.

TOILETS

We are experiencing problems with children not leaving toilets clean at school. Kindly talk to your child about how to leave a toilet once it has been used. It is important that a toilet is left in the same, or better condition than when it was found. Throw empty toilet rolls away. Pick up toilet paper on the floor and throw it in the bins. Flush the toilet after use.

HONOURABLE MENTION

Congratulations to Makgoshi Mamabolo for achieving 60 merits. Keep up the hard work. Well done!

A note from our Principal: Mr. D Swart

Due to recent events, there is a climate of fear around safety and security at schools. Please know that we have not taken these events lightly and we are in the fortunate position to have installed very good security measures in our new building. Besides the biometrics system that is used for access control, we have cameras in and outside the school which run recordings 24/7. The Estate we are in is under 24 hour monitored camera surveillance, which is backed up with 24-hour vehicle response teams. We have a very good relationship with our local SAPS, who regularly stop in to check if everything is ok. We are and will remain vigilant at all times to ensure that our children and teachers are safe, please do the same by teaching your child about keeping him/herself safe!

Have a good weekend,
Primary School Staff

PS! Don't forget to sell your RWC raffle tickets!! We only have a few days left before the draw takes place!!
