Winter/Summer Uniform Change

Please note that when we return to school after the holidays, there will be a time where either winter or summer uniform can be worn. This will end on 30 April. From 1 May 2020 only winter uniform may be worn.

A note from our Principal: Mr. D Swart

It is important to adhere to the directives as given to keep ourselves out of harm's way. Please do not hang out at the malls, the movies and places like the Waterfront. As a matter of fact, do not find yourself in any confined spaces where there are crowds of people. Corona Virus is real, and people are dying so please take care of yourself and your families.

In the event that we are not able to return to school on the 15th of April, attached are a few things that you can do from home in order to keep up with the work that needs to be done for term 2. As previously stated, we will have an e-learning program in place, but you are still going to have to spend time doing self-study.

Our matriculants can go to the follow links where they too will find very useful and important assistance in their preparations for the term ahead.
