6 March 2020

Dear Parents,

This week all the Primary School learners have been exercising their brains doing revision for the upcoming tests next week. Revision of work is essential as it enables learners to practise the work that they have learnt, giving them an accurate picture of their strengths and weaknesses. It is important that we as parents and educators need to work together to help the learners achieve the best that they can. Learners, always remember: school is tough, but so are you!

NEWS FROM THE GRADE 5 CLASS

This week the Grade 5's have been working hard on revision activities for the upcoming tests next week. We finished Mathematics off with some work on capacity and volume. The Grade 5's used their guessing techniques to try to estimate the capacity of various food products, as well as putting their measuring skills to the test.

IMPORTANT DATES

Term 1	15 January – 19 March 2020
Gr 1 – 3 Assessment week	9 – 13 March
Gr 4 – 6 Test week	9 – 16 March
School Photos	16 April

Other News**Winter/Summer Uniform Change**

Please note that when we return to school after the holidays, there will be a time where either winter or summer uniform can be worn. This will end on 30 April. From 1 May 2020 only winter uniform may be worn.

Test Week

A reminder that the test week is almost upon us. Please ensure that your child prepares for the test series for Grade 4 - 6. Allow for more study time and less playtime for the week ahead. A good night's sleep and a balanced diet are essential. Good luck to everyone.

Test Timetable Grade 4-6 Term 1:

Date	Subject
Monday, 09 March	English
Tuesday, 10 March	Afrikaans
Wednesday, 11 March	Mathematics
Thursday, 12 March	NST
Friday, 13 March	History
Monday, 16 March	Geography

Message from our principal: Mr D Swart

With our test series already started for the High School and the Primary school starting on Monday please remember that we have very strict exam policies in place to discourage our learners from cheating in the exams and tests. It is important that the learners understand the serious nature of such actions along with the consequences. Please encourage your child to ask for help if they are feeling overwhelmed.

We wish all our learners everything of the best for the test series and trust that they will achieve all the goals that they have set for themselves.

Have a lovely weekend!
 Primary School Teachers
