Dear Parents,

The Importance of Honesty

There was a farmer who sold a pound of butter to a baker. One day the baker decided to weigh the butter to see if he was getting the right amount, which he wasn't. Angry about this, he took the farmer to court.

The judge asked the farmer if he was using any measure to weight the butter. The farmer replied, "Your Honour, I am primitive. I don't have a proper measure, but I do have a scale."

The judge asked, "Then how do you weigh the butter?"

The farmer replied, "Your Honour, long before the baker started buying butter from me, I have been buying a pound loaf of bread from him. Every day when the baker brings the bread, I put it on the scale and give him the same weight in butter. If anyone is to be blamed, it is the baker."

In life, you get what you give. Don't try and cheat others.

Mr. C Marais

Message from our principal Mr. D Swart

Please remember that all exams and assessments must take place at school under examination conditions. We will continue our Covid procedures throughout the exam period and a room will be available for children who have medical exemption and cannot sit in the class with others.

It is very important that ALL our children write their exams as this will contribute directly to determining whether or not they progress to the next grade. Medically exempted learners will be allowed to leave once they have completed their test/exam on the particular day.

Our Grade 12 learners will officially be done with school on the 30th October after their Valedictory Service. They have 1 week at home and then they start their final exams on the 5th of November. This is the end of a 12-year journey, and we hope that they are working hard on their studies so that they can end this journey on a high note. Good luck with your exam preparations and we wish you all the very best for the upcoming exams!

Have an awesome weekend

Keep safe
