## Dear Parents,

We have finally come to the end of the 2020 school year. We have faced many challenges together, but have overcome them all with hard work and determination. The learners should be proud of their achievements, as they await their end of year results. We would like to thank all the teachers for the extra work and effort they put in this year to ensure that no learner missed out on this year's work, whether it was in the classroom or at home. We would like to thank the parents for supporting the teachers by ensuring that their children did all the work required of them during e-learning. Finally, we would like to thank the learners for their dedication to their schoolwork and the perseverance that they have shown throughout the year.

We can't be sure what is to come next year, but we do know that the learners at Riverside College are capable of handling any challenge or task given to them.

The Primary School Teachers, would like to wish all our learners and their families a Happy Festive Season. Have a well-deserved break and gets lots of rest . Please stay safe and return to us next year, refreshed and ready to start the new year.

## Farewell

We would like to say goodbye to Mrs Glover who has taught the Grade 3 class, this past term. Thank you so much for everything you have done! We will miss you.

## Message from our principal Mr. D Swart

Thank you for showing up and for doing everything in your power to make this very upside-down year the best it could be. There were both positive and negative outcomes this year and despite all the negatives our learners achieved well under the circumstances because they showed up and they gave it their best. Thank you for that!

Have a wonderful Festive Season and please stay safe!
