Dear Parents,

It's a terrible thing, I think, in life to wait until you're ready. I have this feeling now that actually no one is ever ready to do anything. There is almost no such thing as ready. There is only now.

This is a new year, post 2020, we are walking away from a year that was not meant to be, but it happened.

Like Martin Luther King Jr said: "If you can't fly, then run, if you can't walk run, then walk, if you can't walk, then crawl, but by all means keep moving."

Do not carry yesterday into today. Look at TODAY as a "Fresh start". See the possibilities of New Beginnings.

Good luck for 2021 Mrs. Struck

Message from our principal Mr. D Swart

Welcome back to a new academic year and all the new challenges that we will face together in the next 12 months. Yes, we can call them problems, hitches, upsets, chaos, catastrophes or anything else for that matter, but then that will be exactly what the challenges will become...issues and problems. I prefer to see them as opportunities to grow, learn and become. There is nothing that we cannot overcome if we put our minds to finding a way to do it!

Our learners have embraced the new online platform and are well on their way with their work for Term 1. Everyone is excited to see what the year has in store in their new grades, and for some their new school. I strongly believe that we create our environment and therefore I will always look at the positive side of all situations and invite you to join me in helping to create a positive and stable environment for our children to operate in this year. I look forward to our journey in 2021!

Keep safe
