Dear Parents,

As the term draws to a close, we would like to thank each and every parent for their continued support and involvement in our school events. On behalf of the Riverside teachers, we would like to wish all the learners a splendid and restful break. They will need all their energy for all the exciting things that are happening when they get back. See you all next Term!

Grade R News

The Grade Rs are happy that assessment time is over and are ready for a well-deserved break! I am proud of all their achievements no matter how small or great. Just like the beans they have each planted in class, they grow and learn at their own time. Can you believe that it is only a term left then they are graduating to Grade 1? They say they are ready for homework! Hear that mom and dad? They say it now...

Message from the Principal Carlien Ellis

I want to thank our Riverside Community, including management, teachers, parents and learners, for a great term 3. This term was filled with adventure, many memories were made and most of all, each learner worked hard to reach their academic goals.

A term 3 highlight for me was our camp away with the students. I thoroughly enjoyed the privilege of joining the learners on this getaway into nature! Our time away was filled with physical, intellectual and social activities. We are already planning for and excited about our 2023 camp!

We also welcome two new faces in the office, Michelle and Anja! We are proud and honoured to have them on our team. They are doing a fantastic job of helping both parents and learners.

I am looking forward to a jam-packed term 4 to end off 2022. Starting with the Matric farewell on the 14 of September at the CTICC followed by Riverside College presents Khumba. The little ones are working hard to put the end-of-year school production together and we urge all parents to go onto our website and book your tickets!

We are also planning two gala evening events for prize giving followed by our valedictory for our Grade 12 learners. We hope these will be prestigious events during which the students will be made to feel special and rewarded for their efforts.

We also have a carnival and food fair on the 21st and 22nd of October as a part of our fundraising efforts. We are planning to have lots of entertainment and delicious food vendors. No event will be a success without the Riverside Community. So, please book your tickets and support your child at these fun events. We are very excited and privileged to host all of these events.

Kind Regards
Primary School
