Dear Parents,

We have reached the end of the first term of 2023. Wow! What an amazing start to the year. All the learners really took on the theme for the term and I truly believe they have risen to the occasion. It was wonderful to see each and every one of them trying to better themselves and their work ethic. We hope that the learners will have a restful holiday and reflect on the past term. Be safe when travelling and we look forward to seeing all the bright faces in Term 2!

Grade 2 News:

Where do I begin... This term the Grade 2's have absolutely blown me away with their amazing enthusiasm for learning and how well they can adapt and apply themselves. This term has absolutely flown by, but as the saying goes; "Time flies when you're having fun"! I would like to thank my Grade 2's for always trying to put a smile on my face and being little teachers themselves. Every one of them is so very special and I look forward to the next term for all of us to grow together! Have a wonderful, well-deserved holiday!
