Dear Parents,

29 March 2023

Why do we celebrate Easter with eggs?
Eggs represent new life and rebirth, and it's thought that this ancient custom became a part of Easter celebrations. In the medieval period, eating eggs was forbidden during Lent (the 40 days before Easter) so on Easter Sunday, tucking into an egg was a real treat! We wish all our Christian families a blessed Easter.

Principal's message:

The first term is done and dusted. We had a very busy and productive first term. There were many highlights this term. We always try to balance academics with other co-curricular activities. The different activities improve our overall well-being, and that is important at Riverside. We worked hard this term to achieve our goals. We would just like to thank all those parents who have supported us during this term by keeping their account up to date.

I hope that all our new learners feel welcomed and love school. We will continue to make you feel welcome and part of our family.

We are looking forward to the holiday. A well-deserved rest for teachers, learners, parents, and management. It is important to take time off to rest and gain new inspiration and energy for the next round. This is not a long holiday but a well-deserved one.

My wish for every member of the Riverside family is to come back refreshed and ready to take on all the opportunities that will present themselves in Term 2. If you are travelling, please be safe on the roads.

Have a blessed holiday!
