Dear Parents,

This week, Miss van den Berg taught our learners a very valuable lesson; "Honesty is the best policy". This quality is not just a great trait to have but can also save learners from being in more trouble by not telling the truth. As the saying goes: "The truth will set you free". Covering for someone or lying for them, does not necessarily make you a better friend or person.

By telling the truth, you could have the opportunity to be an example for others.

Honesty truly is the best policy.

- Miss Steyn

Grade 2 News:

The Grade 2's has had a very interesting couple of weeks. They had their amazing visit to the Ostrich farm, they did some oral presentations and, of course, learnt a great deal along the way. I think I speak for all the Grade 2's when I say, the highlight of the past couple of weeks must be the Ostrich farm. They got the opportunity to pet some baby Ostriches and even feed them. They learnt about the smallest ostrich in the world, and some were even bold enough to sit on an ostrich. I look forward to the great adventures we will embark on in the future!

UPCOMING PARENT WEBINARS

Mr. Swart is hosting a number of parenting webinars over the next few weeks. During NALA parent feedback sessions many parents wanted guidance on a range of parenting struggles and it is with this in mind that Mr. Swart is inviting the parents of Riverside College to book their spots.

Tickets for these webinars can be booked via ticketweb. Each webinar has its own link for booking, please be sure that you use the correct link.

Legacy Project:

The Riverside College Legacy Project is a way for current and past learners to be forever remembered as being a part of the history, the traditions and the legacies that have formed and shaped the heart of Riverside College.

An institution remains just that when people are not given a space and an opportunity to be who they are meant to be, and this is why Riverside College is not just an institution, but the portal through which many individuals have passed on their way to the future that they envisioned for themselves while building on the traditions and the history of this wonderful school.

In honouring these many boys and girls and the journey that they undertook at Riverside, we would like to offer this opportunity for them to leave a piece of themselves behind for those who will follow in the footprints that they are leaving or have left.

The Legacy plaque is available to any learner who attends Riverside College or has done so in the past. The way a child can leave their legacy for others to be inspired by is to purchase one of the following:

- Plaque outside a particular class (i.e.: a child's name & year on a plaque outside Gr 1 or Gr 12 for instance)
- A buddy bench for the garden
- Planting a tree in your honour with a plaque
- A Plaque in a general traffic area of the school
- Sponsoring a notice board or honours board.

Grade 12 Fundraising Events:

The Grade 12 class of 2023 has put together a list of fundraisers they would like to host for their matric farewell. The cost is R20 per event.

- 15th of June Dress up as the first letter of your name.

Encourage them to study, prepare a healthy meal, and create a positive studying environment. All learners have received their timetables as well as examination rules. The learners also provided me with a study roster to prepare themselves for the upcoming exams.

We will be having an open day on Saturday June 3rd. Please spread the word among your friends. We still have space in most of our classes. It will be an honour for us to have their children in our school.
