Dear Parents

The High School prize giving was a huge success! Thank you for supporting your child and for ensuring that they were there on time, neatly dressed and ready for the event.

Important Dates and Announcements:

Term 4

02 October – 04 December

School closing time during exams:

Please note that as from Wednesday the 13th of November we will be finishing at 13:30. You will need to make alternative arrangements for your child to be collected. This time is set aside to allow for your child to have enough preparation time for the exams that will be written. It is therefore of the utmost importance that you ensure that this time is spent wisely.

School attendance during exams:

It is compulsory for children to attend school every day of the year! Please do not keep them at home to study as you are teaching them that it is acceptable to break the rules. The Department of Education guidelines stipulate that learners must attend school every day and we as a school may not give permission for children to be kept at home.

Learners who miss an exam without providing a medical certificate will not be given a mark or another opportunity to write that exam. The result will be a zero on his/her report.

A note from our Principal: Mr. D Swart

We all have so much to be proud of, and perhaps we need to say it more often so that our children do not need to wonder if their efforts are seen and whether or not we are proud of them. Well done to all our prize winners and we hope that they will achieve even greater heights in their final examinations. Congratulations again to our prefects and head girl for 2020 namely:

Tara-Maria Sewraj	Head Girl
Minentle Batembu	Prefect
Zackary Cronwright	Prefect
Kaylyn Neethling	Prefect

We look forward to seeing each one of you grow from strength to strength and we know that you have the qualities to be awesome leaders and examples to the rest of us. Best of luck!
