24 January 2020

Dear Parents,

This term we are focusing on the 7 habits of happy kids. In this week's assembly we focused on the first habit, which is 'Be proactive' where we have the choice to be productive and focus on keeping ourselves entertained. It is important in today's world that our children learn this skill of productivity and not rely on someone else or something else to make that choice for them.

NEWS FROM THE GRADE 000/000 CLASS

The little ones are happy to be back at school and are getting to know and bond with their new friends. They are very excited to have more flowers at school as well as fruit trees and a vegetable garden.

The Gr. 000/00 are taking great care of it and cannot wait for fruits and vegetables to grow.

The first question everyday is, "Teacher are the mielies growing already?"

We have had a very basic food selection in the tuckshop in the past and we encourage parents & learners to share suggestions or ideas for us to offer in the tuckshop during 2020, please note that we will only be selling healthy foods and for this reason only consider healthy suggestions. We are also in need of volunteers (parents) to assist us with sales and service in the tuckshop during 1st break, please feel free to inform your child's teacher if you are able and willing to assist in this regard.
